FEDERAL AID IN FISH RESTORATION
ANNUAL REPORT

Job Title: Motorboat Access, Regions 1 and 2
Project Number: F-77-B-4
Project Leader: Jerry Neufeld
Assistants: Melvin Branch
Ted Meske
John Nigh
Project Period: July 1, 1988-June 30, 1989

This project operated and maintained 35 public access areas in Region 1 and 29 public access areas in Region 2.

1. Improvements and renovations included construction of new boat docks and repairs to others. Boat launching ramps were repaired. Areas improved are as follows:

<u>Site</u>	<u>County</u>	<u>Improvements</u>	<u>Estimated Costs</u>
Hayden Lake, Sportsmen's Park	Kootenai	Placed crushed rock on road and parking area. Installed a new toilet with walkway for handicapped access. Constructed 6 picnic tables with parking space, fire ring and BBQ cooking grills. Removed danger trees and cleaned up debris. Installed signs.	\$ 4,300
Fernan Lake	Kootenai	Excavated an area 125 feet by 135 feet to provide parking for boaters. Rough graded and ordered gravel. Installed 60 boulders for parking control barriers.	2,800
Hauser Lake	Kootenai	Assisted with road repairs at boat ramp.	2,000
Morton Slough	Bonner	A new toilet was installed.	1,500

<u>Site</u>	<u>County</u>	<u>Improvements</u>	<u>Estimated Costs</u>
Salmon River at Pine Bar	Idaho	A poured in place concrete boat launching ramp was constructed to replace a gravel ramp. The new. ramp is 14 feet by 140 feet. Materials furnished by Idaho County.	\$ 1,000
Clearwater River at Cherry Lane	Nez Perce	Renovated the boat ramp by adding 2 feet in width and adding a new concrete-cap to replace the existing ramp.	2,500
Soldiers Meadow	Nez Perce	Reconstructed boat ramp in new location. New ramp is 12 feet by 140 feet.	3,000
Spirit Lake	Kootenai	Installed a new toilet to replace 2 wooden structures.	1,500
McArthur Lake	Boundary	Installed a new toilet and constructed walkway and unloading pad for handicapped access.	2,000
Johnson Creek Clark Fork River	Bonner	Installed a new toilet.	1,500

2. Routine maintenance repairs and upkeep included cleaning toilets, controlling weeds or other unwanted vegetation, removal of refuse, pumping out of toilet vaults, replacement of damaged facilities such as toilets, concrete boat ramp logs, signs, parking barriers, rebuilding boat docks, painting facilities and other repairs deemed necessary.

<u>Site</u>	<u>County</u>	<u>Improvements</u>	<u>Estimated Costs</u>
Chase Lake	Bonner	Routine maintenance	\$ 100
Cocolalla Lake	Bonner	Routine maintenance	800
Garfield Bay	Bonner	Routine maintenance	100
Johnson Creek on Clark Fork River	Bonner	Routine maintenance	500
Morton Slough	Bonner	Routine maintenance	100

<u>Site</u>	<u>County</u>	<u>Improvements</u>	<u>Estimated Costs</u>
Pack River at Pend Oreille Lake	Bonner	Routine maintenance	\$ 100
Pringle Park, East Hope	Bonner	Routine maintenance	300
Shepherd Lake	Bonner	Routine maintenance	400
Sunnyside Park on Pend Oreille Lake	Bonner	Routine maintenance	50
Dawson Lake	Boundary	Routine maintenance	100
McArthur Lake	Boundary	Routine maintenance	200
Moyie River Access	Boundary	Routine maintenance	50
Clearwater River at Button Beach	Clearwater	Routine maintenance	100
Clearwater River at McGill Hole	Clearwater	Routine maintenance	50
Salmon River at Twin Bridges	Idaho	Routine maintenance	200
Coeur d'Alene River at Thompson Lake	Kootenai	Routine maintenance	100
Hayden Lake	Kootenai	Routine maintenance	200
Loffs Bay on Coeur d'Alene Lake	Kootenai	Routine maintenance	50
Medimont on Coeur d'Alene River	Kootenai	Routine maintenance	100
Mica Bay on Coeur d'Alene Lake	Kootenai	Routine maintenance	50
Rose Lake	Kootenai	Routine maintenance	200
Thompson Lake	Kootenai	Routine maintenance	50
Twin Lakes	Kootenai	Routine maintenance	500
Clearwater River at Cherry Lane	Nez Perce	Routine maintenance	200
Clearwater River at Lenore	Nez Perce	Routine maintenance	300
Clearwater River at Lower Myrtle Beach	Nez Perce	Routine maintenance	300
Clearwater River at Park	Nez Perce	Routine maintenance	300
Clearwater River at Upper Hog Island	Nez Perce	Routine maintenance	200
Hatwai Creek	Nez Perce	Routine maintenance	100
Pole Yard	Clearwater	Routine maintenance	500

Job Title: Motorboat Access - Region 3
Project Number: F-77-B-4
Project Leader: Dale VonSteen
Assistants: Jim Uranga
Jerry Scholten
Dick Orcutt
Clair Kofoed
Period Covered: July 1, 1988 to June 30, 1989

Need

Over the past several years, the Department has acquired public access to public waters. Boating facilities have been installed and developed. Newly-acquired sites were also developed to facilitate the boating public. Routine maintenance of older sites was conducted.

Objective

Easy and safe access to public water for boating and fishing purposes was the leading objective followed by development, maintenance, and renovation of existing sites.

Results and Benefits

As a result of increased efforts on repair and maintenance, the access sites are cleaner and safer for public use. The users have benefited from the additional facilities that were installed.

Approach

Twenty-two public access areas were maintained for boating purposes in Region 3.

Location

1. Renovation and Improvement

During the last project year, boat docks were purchased and stockpiled for installation during the next project period. Docks were either installed or sites selected for future installation.

<u>Site</u>	<u>County</u>	<u>Improvement</u>	<u>Estimated Cost</u>
Paddock Valley Reservoir	Washington	Install two toilets not completed	
Grandview	Owyhee	Secure ramp parking, ramp dock - not complete	
Black Sands Bay	Owyhee	Installed one toilet	\$1500
Jack's Creek	Owyhee	Install docks - not complete	
Horsethief Reservoir	Valley	Six Handicap docks installed	\$5400
Little Payette Lake	Valley	Improve additional parking	\$2500
Arrowrock Reservoir	Boise	Cooperative funding to extend ramp	\$3500

2. Maintenance

Routine maintenance operations were conducted on all boating access areas. Activities included, but were not limited to, painting, signing, pumping toilets, vegetation control, refuse cleanup, and maintaining roads and parking areas.

Site	County	Improvements	Estimated Cost
Indian Creek Reservoir	Ada	Signing, road maintenance, refuse cleanup, pump and clean toilets, rodent control, vegetation control and fence maintenance	\$3,000
C. Ben Ross	Adams	Clean and paint toilets	\$ 200
Fort Boise WMA	Canyon	Clean and pump toilets and refuse cleanup	\$ 400
Snake River: Map Rock Trappers Flat Lava Point	Canyon	Refuse cleanup and signing	\$ 500
C.J. Strike WMA: Cottonwood Loveridge Bridge Jacks Creek Cove Arm (Crane Falls) Black Sands C.J. Strike Dam	Owyhee	Paint and clean toilets, refuse cleanup, road and parking lot maintenance, vegetation control, fence maintenance, and signing	\$2,700
Snake River Opaline Walters Ferry Job Corps Clarks Island	Owyhee	Refuse cleanup, signing, and clean toilet	\$ 500
Black's Bridge	Payette	Signing and refuse cleanup	\$ 300
Falks Bridge	Payette	Refuse cleanup	\$ 200
Little Payette Lake	Valley	Signing, refuse cleanup, and pump and clean toilet	\$ 500

Site	County	Improvements	Estimated Cost
Horsethief Reservoir	Valley	Refuse cleanup, signing, road maintenance, pump and clean toilets, paint toilets, fence repair, and vegetation control	\$2,000
Roberts	Washington	Pump toilets, paint toilets, refuse cleanup and fence maintenance	\$ 200
Paddock Valley Reservoir	Washington	Road maintenance, paint toilets, pump toilets, and refuse cleanup	\$1,000

Summary of Costs

Salaries and wages	\$13,400
Operations	11,500
Capital improvements	<u>12,900</u>
Total estimated cost	\$37,800

**FEDERAL AID IN FISH RESTORATION
ANNUAL REPORT**

TITLE: Motorboat Access, Region 4

PROJECT NUMBER: F-77-B-5

PROJECT LEADER: Dale Turnipseed

ASSISTANT: David Leptich

PROJECT PERIOD: July 1, 1989 - June 30, 1990

NEED: The Department has acquired by fee title or easement access to public waters. These areas were developed in the 1960's and have since deteriorated and are in need of major renovations. Small wooden toilets are presently not meeting the needs of the boating public. These toilets are substandard for the handicapped. The roads to these sites do not meet the needs of today's vehicles and are in need of upgrading.

OBJECTIVE: To provide for operation, maintenance, renovation and safer access to public waters for boating recreation and for public use of sport fish.

RESULTS: Increased effort on maintenance, repair and renovation will result in cleaner, safer public access areas. Improved and additional facilities allow more people and boats access to the public waters for boating, fishing or other recreational activities.

APPROACH: Operate and maintain 15 public motorboat access areas in Region 4.

1. Maintenance, Renovation and Operation Activities:

Repairs and upkeep to include cleaning toilets, controlling weeds or other unwanted vegetation, removal of refuse, pump out of toilet vaults, replacement of damaged facilities such as toilets, concrete boat ramp logs, signs parking barriers, paint facilities, maintain access roads and other repairs deemed necessary. Monitor public use.

LOCATION:

1. Improvements and Renovation:

<u>Site</u>	<u>County</u>	<u>Improvements</u>	<u>Estimated Cost</u>
Salmon Falls Reservoir	Twin Falls	Toilet acquisitions	\$ 2,400
Bell Rapids	Gooding	Boat Docks (4)	<u>\$ 3,900</u>
		Total Capital Improvements	\$ 6,300

2. Maintenance:

<u>Site</u>	<u>County</u>	<u>Activity</u>	<u>Estimated Cost</u>
All	All	Weed control	\$ 400
All	All	Litter control	480
Little Camas	Elmore	Toilet pumping/maint.	100
Magic	Camas	Toilet pumping/maint.	100
Fish Creek	Blaine	Toilet pumping/maint.	100
Mormon	Camas	Toilet pumping/maint.	100
Sublett	Cassia	Toilet pumping/maint.	100
Bell Rapids	Gooding	Toilet pumping/maint.	100
All	All	Road maintenance	<u>200</u>
			\$ 1,680

Summary of Cost

Salaries and Wages	\$ 4,270
Operations	1,680
Capital Improvements	6,300
Total Estimated Costs	\$ 12,250

ANNUAL PROGRESS REPORT**

Job Title: Motorboat Access - Region 5
Project Number: F-77-B-4
Project Leader: Bill Davidson
Assistants: Dean Rose
Period Covered: July 1, 1988 to June 30, 1989

Introduction

There are currently 32 motorboat access sites in Region 5 in which Department has some involvement. Most of the sites are under the jurisdiction of the various counties while only five are actually administered by the Department. The sites were generally developed in the early 1970's. Until 1986, funding for maintenance and development was lacking for both the Department and the counties. In 1986 the distribution of monies from boater registration was changed so that boaters designated which county was to receive their money. Most counties in Region 5 realized an increase in funds. About this time the Department administered funds (Dingle-Johnson) were also increased thus enabling the Department to become more involved. During 1986, the Department, in Region 5, began signing agreements with the counties that allowed for financial assistance from the Department on a project by project basis. In return, the counties agreed to maintain the sites and work toward improving overall conditions. Since that time, conditions in all seven counties have improved dramatically with several counties now expanding their programs.

In 1989, a region-wide waterways board was initiated. One county commissioner from each county sits on the board, with one other representative of each county forming an advisory board. These boards will determine and prioritize access needs on a regional basis.

A. Improvements and Renovations

Bear Lake County

Bear Lake

1. Provided 15 concrete boat ramp blocks.

Bingham County

Pingree

1. Provided materials for a new fence.

Poison Creek

1. Provided three boat docks.

Sportsmans Park

1. Provided two boat docks.

Caribou County

Blackfoot Reservoir - Dike Lake

1. Provided funding for Conceptual Development Plan.

Chesterfield Reservoir

1. Provided six portable outhouses.

Dike Lake

1. Provided four boat docks.

Pebble Beach

1. Provided 20 concrete ramp blocks.

Franklin County

Twin Lakes

1. Provided funding for Conceptual Development Plan.

Johnson Reservoir

1. Provided funding for Conceptual Development Plan.

Oneida County

Daniels Reservoir

1. Provided five boat docks.

Devil's Creek Reservoir

1. Provided four boat docks.

Power County

Idaho Power Site

1. Provided one handicapped portable outhouse.
2. Provided funding for engineering for major renovation.
3. Provided funding for phase I of construction.

B. Maintenance

The counties are responsible for maintenance of access sites. All sites are inspected by Department personnel.

The Department pays Caribou County \$2,800 each year to help defray the cost of maintenance.

C. Estimated Costs

A. Improvements and Renovations

<u>Sites</u>	<u>County</u>	<u>Estimated Cost</u>
Bear Lake	Bear Lake	270.00

ANNUAL PROGRESS REPORT**

Job Title: Motorboat Access - Region 6
Project Number: F-77-B-4
Project Leader: Frank DeShon
Assistants: Dave Wagner
Period Covered: July 1, 1988 to June 30, 1989

Need:

Several motor boat ramps in Region 6 are difficult to use and need to be replaced. Several areas also need road and parking area improvement.

Objective:

The objective is to provide clean, safe and usable boat ramps for approximately 18,000 annual user visits.

Results and Benefits:

Location:

1. Improvements and Renovation

Site	County	Improvements	Costs
Conant Valley	Bonneville	Make toilets handicapped accessible	\$2,000
Palisades Creek	Bonneville	Install boat dock construct handicapped fishing access	\$6,000
Byington	Bonneville	Blacktop road	\$2,500
Bates Bridge	Teton	Install boat ramp	\$2,000
Ranier-west	Teton	Install boat ramp	\$2,000
Cache Bridge	Teton	Install boat ramp	\$2,000
Warm Slough	Madison	Build fence	\$500

2. Maintenance

Routine maintenance was performed on 17 motor boat access areas in Region 6. This included minor fence repairs, litter pickup, and pumping of toilets as needed.

Site	County	Improvements	Costs
Mud Lake North and South	Jefferson	Routine maintenance	\$1,000
Menan	Jefferson	Routine maintenance	500
Warm Slough	Madison	Routine maintenance	500
Ashton Res.	Fremont	Routine maintenance	500
Fox Creek West	Teton	Routine maintenance	500
Bates Bridge	Teton	Routine maintenance	500
Teton River	Teton	Routine maintenance	500
Ranier West	Teton	Routine maintenance	500
Cache Bridge	Teton	Routine maintenance	500
